I have completed a professional degree from an NAAB-accredited university, AND I have completed at least six months' full-time experience under the direct supervision of a registered architect. I understand that beginning the ARE prior to completion of the Intern Development Program may affect opportunities for reciprocal registration in other states. I understand that (a) I must pass all parts of the ARE within five years of passing the first section and (b) I must complete the IDP requirements and submit my completed NCARB IDP file to the Board before I can be registered as an architect. I understand that providing false information on an application for registration may subject me to discipline by the Board, including denial of registration.
